The Saint Andrew Society of Hawaii

The Saint Andrew Society of Hawaii (SASH) was formed on November 30, 1989 as a non-profit, 501(c)3 charitable organization.

SASH Objectives:

Education - SASH strives to educate the general public and members about Scottish and Scottish-American heritage. In keeping with the traditional importance placed on education by Scots and Scottish-Americans, the Society may choose to assist and promote the public and private education of the people of our community.

Perpetuation of Our Heritage - SASH seeks to continue the traditions of dress, music, art, history, genealogy and language that make the Scottish and Scottish-American cultures distinct and have contributed so greatly to the wealth of humanity. A goal is to establish a local Scottish Cultural Center.

Charitable Service - SASH contributes materially and financially to charitable causes.

Celtic Cooperation - SASH works closely with like-minded Celtic groups to ensure our Scottish heritage is fully recognized and appropriately represented. We participate in the Waikiki St. Patrick's Day Parade, the annual Scottish Festival & Highland Games, and many other Celtic cultural events.
